## BEHAVIOUR WORKSHOP

We will be holding our second Behaviour Workshop for parents on **Thursday 18<sup>th</sup> April** with Dr Clarke at 9am in the KS1 Hall.

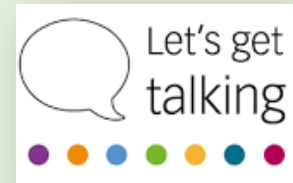

All are welcome to attend and during the session Dr Clarke will talk about behaviour as a means of communication and the school's approach to supporting and managing behaviours through a relational rather than punitive approach. Please join us if you can.

## HEADSHIP OPEN MORNING

Our first Headship open morning and tour of this term is taking place on **Monday 22<sup>nd</sup> April**. Member of the leadership team will be available between 8.45am and 11am. Please come along to tell us about.

- any positive feedback you have about our school.
  - any concerns you would like to raise
  - any suggestions you would like to make.
- We look forward to speaking to those who are able to attend.

## SWIMMING

This year we are offering swimming lessons for those children who cannot yet swim 25 metres in a 'pop up' pool which will be located at Mere Green Primary School. In the first instance we have

prioritised swimming lessons for non-swimmers in Year 5 and 6. These will take place **daily** from **Monday 15<sup>th</sup> April** and will continue until children are able to swim 25 metres.

If your child has been selected to take part in swimming lessons, please ensure that they **bring a dry towel, some flip flops or sliders and a dry swimming kit with them every day for their lessons.**

## SPRING MUSICAL EVENING

Our annual Spring Musical Evening will be taking place in the KS1 Hall on

**Thursday 18<sup>th</sup> April at 6.30pm.**

Please purchase your ticket by logging into MCAS. By purchasing a ticket, you will be confirming your child's attendance.

## READING and MATHS

The Reading eggs and Mathseeds application have been temporarily withdrawn from all iPads until compatibility issues have been addressed. For now could everyone please access these services via their websites at <https://student.readingeggs.com> and <https://student.mathseeds.com> we've also placed a shortcut to these websites on all of the iPads to make getting onto this a little easier.

Sorry for any inconvenience this causes

## TWEET OF THE WEEK

Badgers fully enjoyed their first geography lesson, learning about South America. They produced some fantastic work about the different countries that form the continent. Well done! Mr Clarke is super impressed.
