### **NOTICES FOR PARENTS**

<b>Key Question Week 9: What is your favourite Disney film?</b>
Key Text for Linked Learning: Walt Disney Fact File
Linked Learning: English, History, Computing & Music
This week is all about Walt Disney. The children will find a bag containing different objects about the mysterious man such as his early illustrations, photos of himself and Disneyland, and other Disney inspired clues and will have to discuss why they think this person is famous. The children will then find out who he is, what he looks like, what are some of his films he is famous for and why he is still so important today. The children will then be using their chronology skills to create timelines of his work, ordering key events within Walt Disney's life. The children will be comparing old animation with recent Pixar films, to create discussion about what has changed within history. This will lead to the children discussing what their favourite Disney films and why it is their favourite film. In Music children will identify instruments in various Disney songs and soundtracks. They will comment on composition and how the music makes them feel. In addition, the children will be exploring a range of non-fiction texts and videos to gather more information about Disney. After retrieving the information, the children will be creating their own non-fiction fact file about Disney using the laptops to present their work. This will include using a search engine to find out information, copy and pasting pictures as well as typing non-fiction sentences.
Maths: This week the children will be completing a range of activities that will reinforce their understanding of place value and practise their number facts.
Science: Children will revise their knowledge of material properties by sorting a range of materials explaining their choices.
Geography: Children will explore the United Kingdom and will begin to understand that it is comprises of four countries.
History: See above
Computing: See above
Music: See above
Art / Design Technology: Children will complete their original Pop art inspired artworks.
PDW / R.E: Children will discuss their aspirations and will set a goal or target.
P.E: We will be making dance routine inspired by technology. We will be exploring different ways to travel to enhance our dance routines.

Whole School Reading Day - Listen to the story 'Wisp' on the following link:

<https://www.youtube.com/watch?v=Dbelz41NUd8>

---

---

---

---

---

---

Why didn't the Wisp  
have a memory to show  
Idris?

---

---

---

Why does the wisp spark a smile on the  
old man's lips?

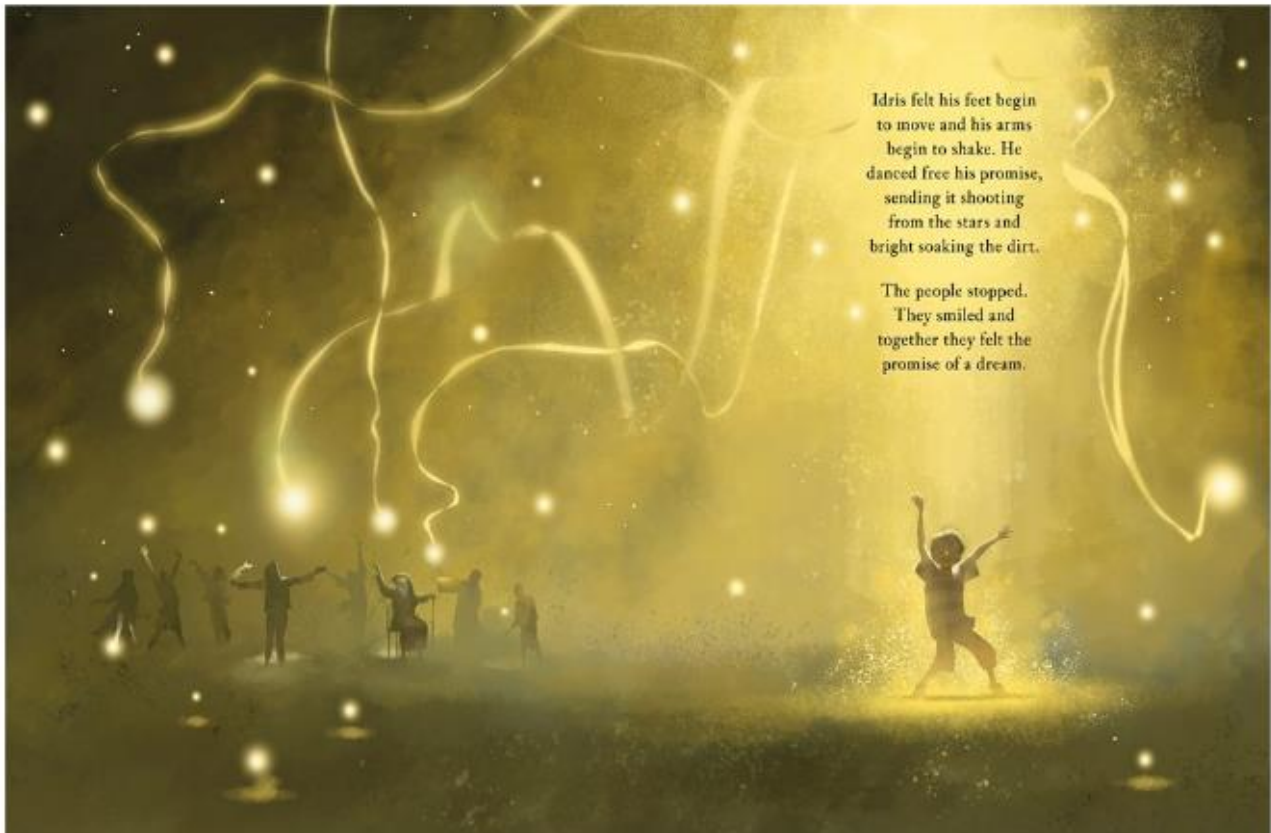

---

---

---

# Why are Idris and the people dancing?

Idris felt his feet begin  
to move and his arms  
begin to shake. He  
danced free his promise,  
sending it shooting  
from the stars and  
bright soaking the dirt.

The people stopped.  
They smiled and  
together they felt the  
promise of a dream.
