<b>Key Question Week 11:</b> What's it like by the sea?
<b>Key Text for Linked Learning:</b> The Lighthouse Keeper's Lunch
<b>Linked Learning:</b> English, Geography, Music & Art
<p>This week, children will be learning all things nautical as we explore the story The Lighthouse Keeper's Lunch. To begin our adventure, the children will be answering questions about the story using their comprehension skills. The children will be looking at a diary from a Lighthouse Keeper and identifying the different features used such as first person, diary starters, days of the week and feelings. This will lead to their own diary account writing about their day. The children will then be taught to edit and improve their writing focusing specifically on their basic punctuation and first person for consistency. To complement their writing, in Art, children will be developing their sketching skills using pencil to recreate scenes from the book. In Geography, the children will be learning the names of the different oceans using a song to help them. The children will be learning which oceans are the closest to the U.K and the furthest away. They will also revise the names of some countries and cities in the UK. In music, they will be composing a piece of music about the sea using un-tuned instruments to symbolise the sea. They will be creating their own rainmakers to use in their performance. The children will then be evaluating their rainmakers, editing and improving their piece of music.</p>
<p><b>Maths:</b> Children will find way to pay amounts up to 20p; Find totals of single-digit prices using known facts or counting on; Add 10p and 20p to two-digit amounts of money; Find change from 10p; Find the difference between amounts of money less than 20p, with a difference of 5p or less.</p>
<p><b>Science:</b> Children will consolidate their knowledge of labelling the structure and features of plants and flowers.</p>
<p><b>History:</b> Children will recap learning on William Hillary and the Royal National Lifeboat Institution.</p>
<p><b>Geography:</b> See above</p>
<p><b>Computing:</b> Children will use scratch jr to create their own programmes increasing in sophistication.</p>
<p><b>Music:</b> See above</p>
<p><b>Art / Design Technology:</b> See above</p>
<p><b>PDW / R.E:</b> Children will talk about themselves positively and share what makes them special and unique.</p>
<p><b>P.E:</b> We will be making dance routine inspired by technology. We will be exploring different ways to travel to enhance our dance routines.</p>
<p><b>Vocabulary:</b> Children will be exposed to this vocabulary over the next two weeks. They will learn the meaning of these words too.</p> <p style="text-align: center;"><b>Perched   polished   industrious   prepared   brazen</b></p>

Monday 26th March 2018

Dear Diary,

Today was a great but scary day! I went to see the lighthouse by the seaside. I walked right next to it and I even touched it!

I felt so excited, I almost skipped all the way home.

I cannot wait to see what will happen tomorrow.
