

HILL WEST *Primary*

FOUR OAKS

Home Learning Pack

Year 3

Week Beginning 08.03.2021

Home Learning Links

Oak National Academy

Oak National Academy is an online classroom and resource hub. It provides high-quality video lessons and resources to support teachers, parents and pupils.

www.thenational.academy

BBC Bitesize

With BBC Bitesize it is easy to keep learning at home. You can access regular daily lessons in English, maths and other core subjects.

<https://www.bbc.co.uk/bitesize>

Phonics English Hubs

Online phonics lessons for the Letters and Sounds phonics programme.

<https://www.wandleenglishhub.org.uk/lettersandsounds>

World Book Online

World Book online have just made their fabulous collection of over 3,000 e-books and audiobooks available for free for children to access at home. They have books suitable for all ages. Click on the following link to access them.

<https://worldbook.kitaboo.com/reader/worldbook/index.html?usertoken=Mjk5MzQ6MTpJUjA5MjAxNjoyOmNsaWVudDE2OTc6MTY5NzoyMjE2Mjg4OjE6MTU4NDM4MDEzMzA2Mjp1cw%3D%3D>

Read Works.org

Read Works offers access to 3000+ comprehension for all age groups. Just sign up for a free account to access fantastic texts.

<https://www.readworks.org/>

Beanstalk

Beanstalk website is packed with lots of interactive materials for children aged 1 to 6. They are offering free access to all families during the COVID-19 pandemic.

<https://beanstalk.co/>

Tutortastic

An online platform with tutorials and videos for home learning.

<https://www.tutortastic.co.uk/blog/homelearning>

Education Quizzes

A series of short quizzes for children to complete related to the National Curriculum subjects. Just select KS1 for Reception, Year 1 & Year 2 and select KS2 for Years 3-6.

<https://www.educationquizzes.com/ks1/>

Top Marks

A range of activities here but especially good interactive activities for maths.

<https://www.topmarks.co.uk/>

Classroom Secrets

Classroom Secrets Kids is offering free access to everyone until the end of April 2020. The platform is aimed at primary aged children and covers subjects such as maths, reading, grammar and spelling. The platform is really child-friendly so that they're able to access it on their own. There are a load of games and interactive activities from phonics to SATs

<https://kids.classroomsecrets.co.uk/>

National Geographic

National Geographic is a great platform for learning and it's totally free. There are online games, resources and competitions, too.

<https://www.natgeokids.com/uk/teacher-category/primary-resources/>

Key Question Week 9: Destruction Everywhere! But what happened?
Key Text for Linked Learning: Newspaper article
Linked Learning: Geography, English
This week children will continue their wild weather topic using and applying all of their skills from the previous week of exploring newspapers to create their own using the features, emotive language and direct speech. Children will edit and improve their writing and create a final draft, putting them together into a class newspaper. In geography this week, children will continue to investigate global weather patterns. Through this, children will explore cyclones and tornados, identifying the differences and the effects of each.
Maths: In maths this week children will continue to focus on place value and money by solving problems using different methods of addition and subtraction. Children will be asked to explain their thinking and reasoning. To end the week children will focus on different methods to subtract.
Science: Children will investigate everyday materials in relation to magnets, explaining why some objects are magnetic and some are not.
History: Children will be introduced to historical bias and begin to identify reliable sources of evidence.
Geography: See above
Computing: Children will continue to learn how to use a green screen.
Music: Alongside their linked learning, children will continue to learn recorders. (To be taught at a later date)
Art: Children will be comparing the style of 'Pop Art' to the post-impressionist style of painting by Van Gogh. Alongside this, children will give opinions on pieces of 'Pop Art' giving reasons for their choices.
Design Technology: Children will learn how to join two pieces of material together using a running stitch. (To be taught at a later date)
PDW/ R.E.: Children will begin to understand that their mental wellbeing is important and begin to know strategies to keep themselves mentally healthy including resting, playing and hobbies. They will begin to recognise the risks of spending lots of time on electronic devices including, iPads, phones, tablets and games devices.
P.E: Children will now incorporate their skills of moving with the ball to include passing in different games.
MFL: Children will learn the terms for boys and girls and compare French names to theirs.

English

Mon- A special day devoted to the story The Wisp.

Link: <https://www.youtube.com/watch?v=Dbelz41NUd8>

Follow the slides below and complete the activities and tasks.

ActivInspire - Studio

Task 1. Draw what you visualise. (on scrap)

Idris lived in a small, small world.
A world where fences grew from the dirt and where shadows ruled.

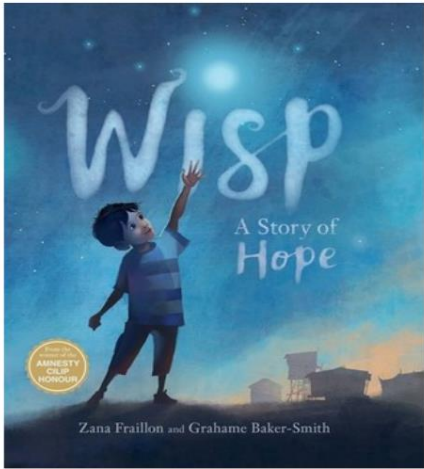

A world with no trees to give shade,
no rivers to drink or seas to swim.
A world full of people, but
where everyone was alone.

Windows taskbar: 13:14 04/03/2021

Task 2: Lets analyse the cover like we did for The Promise.
(worksheet to annotate)

1. Who is that?
2. Where are they?
3. Why are they there?
4. What are they doing?
5. Why do you think the story is called that?
6. How are they feeling?
7. What is happening in the background?
8. Where might they (the main figure) go next?
9. What time of year do you think it is?
10. What is next to the person? What might be in there?

Windows taskbar: 13:14 04/03/2021

Tuesday

£1	.	10p	1p
6	.	5	4
4	.	5	6

We can use this money place value grid to write amounts of money.

Six pounds and fifty four pence.
£6.54

Four pounds and fifty six pence.
£4.56

© hamilton-trust.org.uk 1 Year 3

Day 1: Understand place value in money, writing amounts in pounds and pence.

£3.78 What is the value of each digit in this amount of money?

On your whiteboards write another amount between £3 and £4.

You all have three pounds and some pence!

Now write an amount between £3.50 and £3.60.

Which digits did you ALL use?

© hamilton-trust.org.uk 2 Year 3

3 ★ Easy to understand place value by looking at the digits in the pounds and pence.
 4 ★ Learning task:
 Whole class investigation
 5 ★ Finding in between amounts
 6 ★ Place Value and Money

Whole class investigation

- Work in pairs to find out how many amounts of money from £1 to £10 use the digit 9 at least once.
- This is not a quick question to answer! Start by listing the amounts that have a 9 between £1 and £2.
- Use a calculator for any calculations that are too tricky to do on paper.

Slide 4 of 15 English (United Kingdom) 90% 13:49 04/03/2021

Finding 'in between' amounts

Sheet 1

Find 3 amounts that lie between the following pairs of prices and order them from least to greatest:

1. £4.00 and £5.00
2. £9.00 and £10.00
3. £1.00 and £2.00
4. £3.50 and £4.00
5. £6.40 and £6.80
6. £2.60 and £2.90
7. £1.30 and £1.50
8. £7.70 and £7.80
9. £4.10 and £4.20
10. £5.90 and £6.00

Thursday

How much is here? How can you write that?

£3.65

If I bought something for 60p how much would be left?

$$£3.65 - 60p = £3.05$$

What if I spent just 5p instead?

$$£3.65 - 5p = £3.60$$

Adding and subtracting £1s, 10ps and 1ps

Sheet 1

The following prices have been increased or decreased. What is the new price?

Shop one	Shop two	Shop three	Shop four
$£1.05 + 50p =$	$£7.66 + 5p =$	$£9.11 + 9p =$	$£4.50 + £2.00 =$
$£4.63 + 5p =$	$£8.32 - 4p =$	$£4.32 - 20p =$	$£6.72 - £3.00 =$
$£3.48 - 6p =$	$£1.13 + 80p =$	$£3.27 + 70p =$	$£1.25 + £6.00 =$
$£8.86 - 30p =$	$£4.99 - 70p =$	$£6.89 - 9p =$	$£8.99 - £7.00 =$

Which was the easiest shop to solve? Which was the most difficult shop to solve? Why?

Day 1: Subtract multiples of 10 and near multiples.

20p off

SALE

This time all the prices have been reduced by **20p**. How can you find the new prices?

Write the new prices on your whiteboard.

Let's check.

Count back two 10s!

Day 1: Subtract multiples of 10 and near multiples.

21p off

SALE

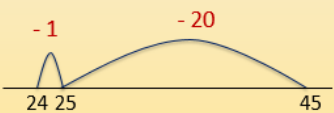

Let's check.

This time all the prices have been reduced by **21p**. Let's see how to do that on a number line....

Try the others on your whiteboard.

Back 20 to 25...

Then back 1 to 24...

Subtracting multiples of ten and near multiples

Sheet 1

Part A

$25 - 10$

$25 - 11$

$25 - 9$

$42 - 10$

$42 - 11$

$42 - 9$

$87 - 9$

Part B

$53 - 20$

$53 - 21$

$53 - 19$

$94 - 20$

$94 - 21$

$94 - 19$

$68 - 20$

$68 - 21$

$68 - 19$

Part C

$85 - 30$

$85 - 31$

$85 - 29$

$65 - 18$

$65 - 12$

$65 - 23$

$74 - 39$

$106 - 29$

$117 - 39$

Day 2: Use counting up to subtract.

On your number lines try $78 - 44$ and $54 - 23$.

Let's check.

Who can talk us through $78 - 44$?

A number line from 0 to 100 with increments of 10. The starting point is 44 (labeled in red) and the ending point is 78 (labeled in red). The jumps are labeled: 6 (from 44 to 50), 20 (from 50 to 70), and 8 (from 70 to 78). There are frog icons at 44, 50, 70, and 78. A box next to the line contains the equation $78 - 44 = ?$.

Who can talk us through $54 - 23$?

A number line from 0 to 100 with increments of 10. The starting point is 23 (labeled in red) and the ending point is 54 (labeled in red). The jumps are labeled: 7 (from 23 to 30), 20 (from 30 to 50), and 4 (from 50 to 54). There are frog icons at 23, 30, 50, and 54. A box next to the line contains the equation $54 - 23 = ?$.

to use a problem-solving investigation – *Magic square differences* – as the group activity, which you can find on the next slides and INVESTIGATION box on Hamilton's website.

now go on to do differentiated GROUP ACTIVITIES. You can find Hamilton's group activities in this unit's TEACHING AND GROUP ACTIVITIES box on our website.

count up and solve subtractions.

Notes Comments

14:00 04/03/2021

Paragraph Drawing Editing

Day 3: Choose strategies to subtract.

Sometimes it is easier to count back using place value and number facts.

Let's see for $99 - 13$.

What would be the best way to find $83 - 58$?

$99 - 10 = ?$

$89 - 3 = ?$

Was that quicker than using Frog?

58 would be a lot of counting back... let's try it with Frog..

Notes Comments

14:04 04/03/2021

Frog = counting forwards, jumps on a number line
Counting back = using number facts to count back.

Strategies for subtracting 2-digit numbers Sheet 2

Which strategy will you use? **Frog** or **Counting Back**?

Write these two headings in your book, and write the subtractions under each. Work out each answer.

$$58 - 11 =$$

$$88 - 75 =$$

$$77 - 9 =$$

$$45 - 13 =$$

$$34 - 21 =$$

$$95 - 33 =$$

$$98 - 49 =$$

$$98 - 14 =$$

$$74 - 37 =$$

When is it more efficient to use Frog?

Spelling

Spelling!

To see where we need to practise the whole school is looking back at all of their spellings. We have done set 1, 2 and 3.

Page 5 of 6 Best Fit

What is Ash Wednesday?

Ash Wednesday is the day after Shrove Tuesday. It is the first day of Lent in the Christian calendar.

How Did It Begin?

In the Bible, it is written that Jesus Christ spent 40 days in the desert, where he fasted – didn't eat – during the day. The Devil joined him and tried to make Jesus prove that he was the Son of God. The Devil tempted Jesus with different things. Jesus never gave in.

The time of Lent lasts for 40 days, which is the same length of time Jesus was in the desert. Many Christians see this as a time to get ready for Easter, think about Jesus' time in the desert and how they might avoid the temptation to do things they should not.

What Happens on Ash Wednesday?

On Ash Wednesday, many Christians go to church. The priest will ask people to go to him and he puts ashes on their forehead. The ashes are put on in the sign of the cross. The priest will say, "repent and believe in the Gospel". This is to help people ask God for forgiveness for anything bad that they have done.

Where Do the Ashes Come From?

Traditionally, the ashes come from the palm leaves which are used in church during the Palm Sunday celebrations. After Palm Sunday, the leaves are burnt and the ashes are saved for the next year so that they can be used on Ash Wednesday.

Modern Traditions

From Ash Wednesday, people often give something up until Easter Day, such as sweets, biscuits or chocolate.

This is because these type of foods are seen as temptations and it reminds people of how Jesus fought temptation in the desert. Often, people see it as a time to do good things, like volunteer at a charity or help others in need.
