Swimming 2020-2021

By Summer 2021:

- 81% of our Year 6 children could swim 25 meters competently (this statistic is lower than most years as a result of the pandemic, we have been limited on the amounts of swimming time we could safely offer.
- 81% of our Year 6 children could use a range of strokes effectively
- Due to the coronavirus outbreak, we have not been able to collect data relating to performing safe self-rescue in different water situations for our 2020-21 Year 6 cohort.
