Spring Term Week 2

## **Home Learning Links**

### **Oxford Owl**

For a limited time, the Oxford reading scheme books we use to support your child's reading in school and at home are providing free access to selected books. All you need to do is click on the link below and register an email to get reading.

<https://home.oxfordowl.co.uk/books/free-ebooks/>

### **Phonics Play**

This is a great resource that we use in school to support the teaching of phonics. They have a range of games for the children to complete where they will be applying their phonic knowledge. Currently they are providing free access using the following username and password.

Username: march20

Password: home

### **Oak National Academy**

This website has been created by 40 teachers from some of the leading schools across England, backed by government grant funding. Here you can access all of our lessons. Either you can follow a set plan of lessons across a range of subjects, or you can access particular lessons in certain subjects.

<https://www.thenational.academy/online-classroom/reception#schedule>

### **Teach your monster to read**

Create a monster and take it on an adventure through a magical world. Travel to exciting places, meet fun characters, play games and win prizes as your monster learns the first steps of reading. Minigames help children to develop speed and accuracy of letter recognition. Lots of blending, segmenting and tricky words. Read for purpose with magical little books. A great way to help your children with reading at home.

The website is free.

### **White rose maths**

The White Rose Maths Team has prepared a series of five maths lessons for each year group. They add five more each week for the next few weeks. Every lesson comes with a short video showing you clearly and simply how to help your child to complete the activity successfully.

<https://whiterosemaths.com/homelearning/early-years/>

### **Letters and Sounds**

Filmed phonics lessons that follow phases 2 to 5 of the Letters and Sounds programme for reception, year 1 and learning to blend. Parent guidance videos.

This week in school the children will be exploring 'weight' and using the vocabulary 'heaviest and lightest' to compare objects. Take a look below at the National Oak Academy's unit on this for a deeper understanding.

<https://teachers.thenational.academy/lessons/using-everyday-language-to-compare-and-explore-weight-cgv62r>

Maths  
Heaviest and Lightest

What does the word heavy mean?  
Circle which shows the heaviest

What does the word light mean?  
Circle which shows the lightest

Using scales can you see which is the heaviest? (Change the objects if you don't have them or predict which you think is heaviest)

### Which is the heaviest?

# Lightest to Heaviest

Cut out and order the following items from lightest to heaviest.

We are spending this week learning all about the moon, astronauts and other aspects of space!  
It is a very exciting topic and the National Oak Academy have their own unit dedicated all to space!  
Feel free to explore using the link below!
