#### Work Sharing Evening

**Thursday 9<sup>th</sup> June 2022**  
**3.20pm – 4.30pm**

On 9<sup>th</sup> June we are inviting you, with your child, into school to look at your child's work. The children's books will be laid out on the tables. Although the class teachers will not be available for discussion we hope by looking at the work your child has completed you will gain a greater insight into not only what your child has been doing in school but also those things that your child is really good at and those things your child needs to work on next.

**Please enter school through the door nearest to your child's classroom**
